IMPORTANT INFORMATION

- ✓ Travel is covered for which insurance cover is in force pursuant to the terms and conditions of insurance.
- ✓ The insured party is the person who registered with the issuer for the collective insurance contract (principal cardholder). The following persons are also deemed insured parties in addition to the principal cardholder:
 - Any additional cardholders
 - Spouses, registered partners, or life partners who live in a common household with the principal or additional cardholders
 - Dependent children of the principal or additional cardholder and children of his or her spouse, registered partner, or life partner up to age 25, regardless of where they live
- ✓ The travel insurance shall be in force for one year from the date listed in the insurance certificate and can be terminated by giving notice at expiration of the agreed upon contract term in compliance with the notice period pursuant to the insurance terms and conditions. Lacking notice of termination, the term is automatically extended by one year.
- ✓ The insurer is Allianz Global Assistance – AWP P&C S.A., Saint-Ouen (Paris), Wallisellen branch (Switzerland).

INSURANCE AGREEMENT

- ✓ I hereby accept the terms and conditions of insurance as well as the information for persons insured under collective insurance without reservation, particularly also with regard to sharing of data (Section II of the General Terms and Conditions of Insurance). I can consult the complete terms and conditions of insurance and the information for persons insured under collective insurance at swisscard.ch or request them from the issuer.
- ✓ The annual fee will be charged per month directly to my credit card account and will subsequently appear on the following credit card statement.
- ✓ The insurance cover can be obtained as an associated service for the card. The card issuer brokers registrations to the collective insurance contract between the card issuer and the insurer, which are only open to principal cardholders. In addition, it carries out administrative work related to processing of the insurance coverage (e.g. management of the contract conclusions, premium collection, claims administration, statistics). The card issuer is reimbursed by the insurer for related personnel, technical (e.g. IT infrastructure) and other expenses in connection with the brokering and processing of insurance coverage. This reimbursement corresponds to customary remuneration for the services provided. I acknowledge the card issuer's claim to this remuneration paid by the insurer.
- ✓ By signing this statement, I register as an insured party to the collective insurance contract concluded by and between Allianz Global Assistance as the insurer and Swisscard AECS GmbH.
